

\*\*\*OUTDOOR ENTERTAINMENT AND VENDING INFORMATION\*\*\*

Welcome to Volusia County,

Volusia County has an economy that is strongly dependent on tourism. Various internationally recognized and regularly scheduled public events are held here, including Bike Week and Biketoberfest, which draw many visitors and itinerant merchants (vendors) to the County.

Volusia County is charged with the protection of the public health, safety and welfare. Therefore, it is the county's responsibility to regulate outdoor entertainment events and itinerant merchants

The unincorporated areas of the County require that any outdoor entertainment event, hosting 500 or more people during an event receive an Outdoor Entertainment Permit and must submit application 60 days prior to the event. Outdoor Entertainment Permits can be obtained for a single event or annual events beginning October 1 through September 30<sup>th</sup> of the following year. (Volusia County Code of Ordinances Chapter 10 Article II Section 10-31- 10-70)

A Host Itinerant Merchant License is required prior to any vendor setting up, selling, displaying, promoting or giving away any merchandise, products or services during special events as defined in Chapter 10 Article III Section 26-51- 26-60 of the Itinerant Merchant License Ordinance, as amended, or as described in the property planned unit development zoning classification.

Host Itinerant Merchant Licenses are valid for events from October 1 through September 30 and are nontransferable.

Itinerant Merchant Licenses are required for all vendors and are valid for events from October 1 through September 30<sup>th</sup> of the following year or as described in the property planned unit development zoning classification. License holders can transfer between locations providing the location has a Host Itinerant Merchant License. Each itinerant merchant must have a license; no itinerant merchant license may be transferred to

another vendor. If a vendor is located on multiple properties, an Itinerant Merchant License must be issued for each location.

To ensure vendors can obtain an Itinerant Merchant License, please apply for the Host Itinerant Merchant License at least 30 days prior to any event.

\*\*\*\*\* FIRE SERVICES INFORMATION\*\*\*\*\*

Fire Services would like to advise all vendors of the need for flame retardant tents and canopies. There is to be no cooking under tents or canopies without the proper fire protection systems, unless there is a 15 ft. distance between them and any other structure, tent or canopy. Fire extinguishers are required on the property at a maximum of 75 ft. travel distances, if the property owner does not provide them. For more information contact Karen Munson (386) 736-5941 or [kmunson@co.volusia.fl.us](mailto:kmunson@co.volusia.fl.us)
